Land Trust Accreditation Commission
Renewal of Accreditation
Comment Period Open

Bayou Land Conservancy (BLC) is pleased to announce it is applying for renewal of accreditation. The land trust accreditation program recognizes land conservation organizations that meet national quality standards for protecting important natural places and working lands forever. A public comment period is now open.

The Land Trust Accreditation Commission, an independent program of the Land Trust Alliance, conducts an extensive review of each applicant's policies and programs. A renewal of accreditation is important to BLC as it confirms that BLC has strong governance, financial, and land protection ethos to steward our preserves in perpetuity.

The Commission invites public input and accepts signed, written comments on pending applications. Comments must relate to how Bayou Land Conservancy complies with national quality standards. These standards address the ethical and technical operation of a land trust. For the full list of standards see <http://www.landtrustaccreditation.org/help-and-resources/indicator-practices>.
