

Little Cypress Creek Preserve

Experience Nature and the Great Outdoors!

Enjoy views of Little Cypress Creek as you stroll through the preserve.

Swamp rabbits live close to cypress swamps and other wetlands in the southern United States.

Three-toed box turtles also live in the humid environment along Cypress Creek.

Know Before You Go!

- Please show respect - cyclists and hikers share our trails
 - Limit headphone use and listen up!
 - Bring a water bottle
 - Dial 911 in case of emergency
- Note:** There's no restroom or drinking water on the preserve so please plan accordingly!
