

Montgomery County Preserve

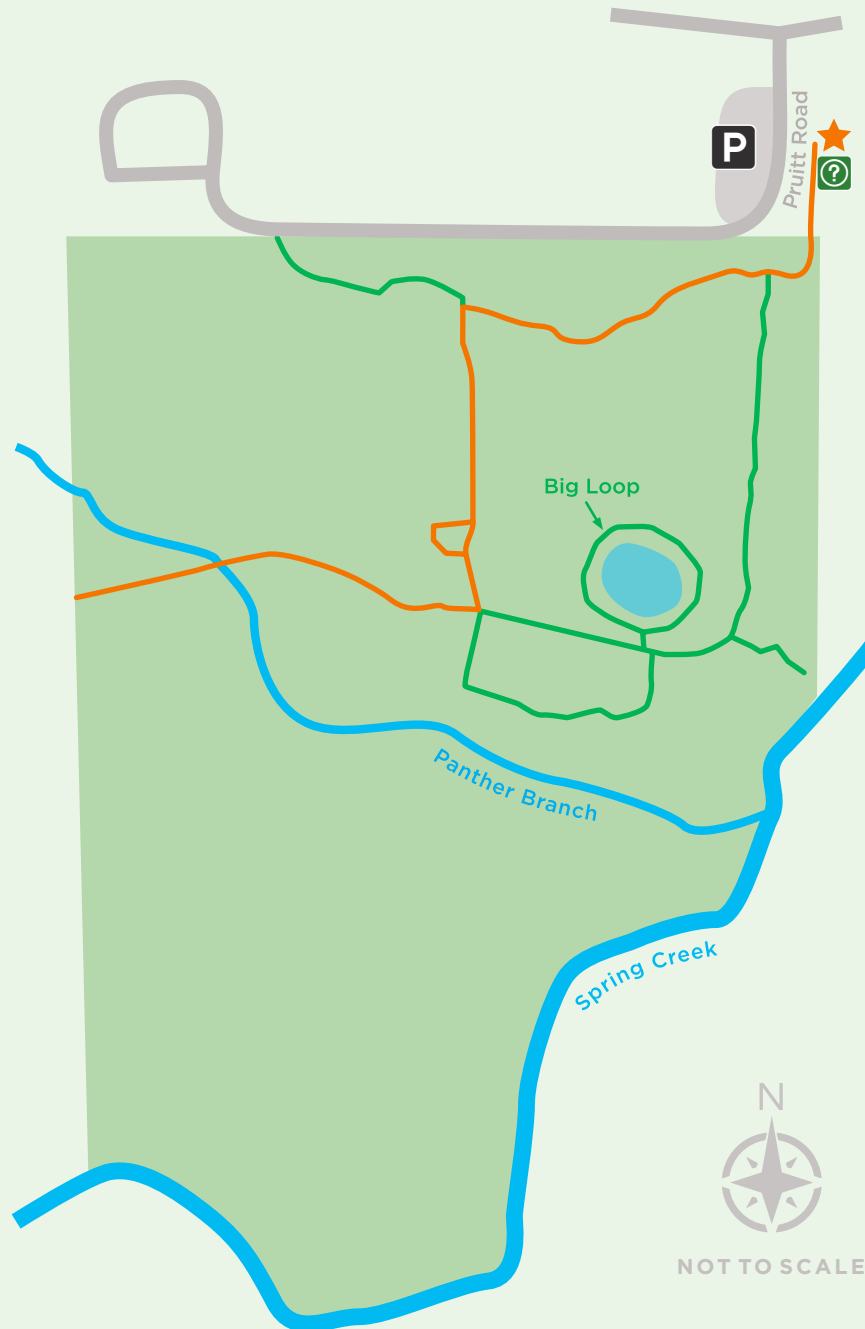

Gateway to the Spring Creek Nature Trail

Montgomery County Preserve is located at the eastern end of the 14-mile long Spring Creek Nature Trail which can be accessed from this trailhead.

Panther Branch joins Spring Creek in this preserve and the water then flows downstream towards Lake Houston.

Know Before You Go!

- Please show respect - cyclists and hikers share our trails
- Limit headphone use and listen up!
- Bring a water bottle
- Dial 911 in case of emergency

Note: There's no restroom or drinking water on the preserve so please plan accordingly!
